

President's Report 2015/2016

Monday night comp

We again ran 2 seasons of Monday night competition with A & B grade. The final 2015 season saw a decrease in numbers largely due to a large number of competition players travelling to Europe.

Numbers again increased to 6 teams or 6 for the first season of 2016.

Monday night fees remained unchanged. This being the third year in a row we have been able to increase fees. The community grant will subsidise any increase in fees as agreed by the committee at the 2015 AGM for a 3 year period commencing in 2015 second season.

We approached Elsternwick about the lighting as the level had deteriorated to a level that we as a club had deemed unacceptable. We received correspondence from Bayside City Council and Elsternwick Park Tennis Centre that the lights would be brought up to the standard of courts 2,3 and 4 by the commencement of the next season 5 August 2013

Sunday social

Sunday social has remained consistent for the 2015/16 season. Sunday social fees remain unchanged.

Agreement was reached with Cubbyhouse Canteen, Malvern Tennis Centre and Vic Tennis that in the summer and spring months we would have the outside area reserved for us from 12:45pm, and in turn our members would leave tennis gear outside.

In the autumn and winter months if it has been raining or it's too windy a place would be cleared for us inside the venue.

Use of the club house remains unchanged and members have full access.

App and development

Andrew Powers app continues to be used on the iPad with great success.

Andrew completed an upgrade after the last IOS upgrade seemed to effect the ability to add rounds.

Andrew was given a free Sunday social for his efforts. 24 Sunday in June 20

AGM 2015

The AGM of July 2015 saw 2 new committee members join Mario and Ronnie
With the departure of Nath Chewta and Andrew Power..

Outreach program

With the community grant that was awarded in 2015, we wanted to deliver tennis to a wider community and show members of our community is regional Victoria. Fin has been instrumental in the organisation of these. We have visited both Ballarat and Bendigo.

Midsumma involvement.

This year saw VicTennis largest involvement in the midsumma program to date. We were involved in carnival day, sports day, pride march and our annual midsummer doubles tour meant was ran through out the midsumma festival.

Our annual midsumma tournament moved back to Elsternwick tennis centre, we received both positive and negative feedback from this move.

Thanks to all for the support, suggestions, feedback and passion you have shown for the club over the years I have my time on the committee it's been a challenging and rewarding period of my life that I will always look back with fond memories.

I wish the club and the committee every success in their future endeavours.

Regards,
Billy Hinves
